**An Otaku's Guide to Ethical
Swinging and Swapping:**
Friday 4:30 - 5:45 PM: Panel Room 2 -
Many kink-friendly people aren't made aware of
what it takes to keep their relationships healthy
in ENM culture. At times, people simply want to
use others as an outlet for the failings in their
own relationships. Dispelling the myths around
ENM is critical from turning traditional
relationship drama to points of clarity and
negotiation in a relationship. Prom itself is a
monogamously-charged style of event, but

there are plenty of attendees which are
monogamish: having a welcoming and open
environment towards the start of festivities
would help traditional couples to feel
comfortable with the level of openness in the
kink community.
